

SGCNZ UOSWSF COVID-19 PHOTOGRAPHY

Hello from Memory of Light Photography

Owing to the Covid-19 situation, it will not be possible to take official photographs of performances this year. Instead, we are calling on your photography skills to help us showcase your group's talents. So student photographers, please take photographs of your group's performance. We will provide a gallery on the Memory of Light website to display your photographs and there will be an award for best photography of a performance.

If you intend to submit photographs, send an email to memoryoflightnz@gmail.com with the name of your school and the title of your performance. After we receive your email, we will set up your gallery on the Memory of Light website and reply with instructions for how to upload photographs to the gallery. **Please do not email your photographs directly to us.**

Photographs should be taken by students of a live performance. They should be of good quality and no larger than 10Mpix. You can use a DLSR camera or a mobile phone. There will be a limit of 40 photographs per group. Photographs should be the originals and not significantly digitally altered. Minor edits such as spot removal and cropping are permitted. Groups will retain copyright to their photographs.

We are looking forward to seeing some great photographs of your performances. As further encouragement for you to submit photographs, we would like to announce that any proceeds from the sale of your photographs will be donated to SGCNZ. Your photography will therefore help support SGCNZ.

Furthermore, this year, we will offer a 25% reduction in our normal prices for digital downloads. Pricing information can be found here:

Remember, if you intend to submit photographs send an email to memoryoflightnz@gmail.com.

Best of luck and happy snapping!

Brian
