Physical approach to text-

Physical approaches to developing scenes. Prepare to go off the beaten track! Get into the body and from there into the text for real connection to what you are saying and doing.

Gabrielle is a highly skilled theatre-maker and accomplished collaborator, creating physically exciting work in theatre, film and dance. She has long-time past experience of working at Shakespeare's Globe, exploring the relationship between text, space and performer with actors and non-actors from all over the world, and was Movement Director on Claire van Kampen's *Shakespeare in the Abbey* in 2019. She teaches regularly for RADA and give masterclasses nationally and internationally. Gabrielle is founder of *Company Gabrielle Moleta-Theatre From The Wild* and is at her dynamic best working in collaboration with ensembles of multi-disciplinary artists. Her specialism, *Transformation and Imaginative Improvisation* enables actors, writers, composers, choreographers and film makers to discover physically innovative discoveries and to deliver potent choices for performance. Gabrielle was a Workshop Tutor for SGCNZ YSC 2022 at Shakespeare's Globe.
